The radio, CD or other distracting equipment will NOT be in operation during instruction. No vehicle occupant will eat, drink or smoke in the vehicle. The instructor must approve the Student's clothing. Bare feet and footwear with open toes or heel are not acceptable.

Before instruction occurs, the Parent/Guardian or Student must notify the School of any health or medical condition or medication that could impair the Student's ability to operate a motor vehicle. The condition or medication must be clearly defined. The School reserves the right to reschedule any lesson without prior notice should the instructor believe the Student's physical or mental condition is not conducive to safe, proper vehicle operation.

If the School determines the Parent/Guardian or Student provided false information upon any School or NJMVC forms or applications, the School may reject the Student at any time and prorate charges for services provided as of the date of discovery of the false information.
